

Michael Harry

2017 Inductee No. 8

Born in Parkes in 1978 and starting his bowls career in Zone 4, Michael then went on to represent the Western NSW Zone before moving to Sydney. Once in Sydney he represented Zone 10 (Sydney West), the NSW City side and NSW State Reserves. Over this time, Michael has attained many titles - over 30 club titles, over 10 Zone titles and various tournaments across NSW.

It is not only about his success on the green. Over the past decade, Mick has also acquitted himself in a mentoring role in selected sides and in club roles in sport development, as bowls coordinator and currently as club coach with St Johns Park BC.

Since 2004, Mick has been giving back his time 'off the green' to bowls administration; his various roles include Zone Delegate, Zone Selector, Zone Senior Vice President and currently Mick has been giving solid service as a NSW State Selector.

Michael has already had an impact on the game of bowls in NSW with his first 24 years' involvement. He is a man to leave his mark on the game and, in his recent roles in selecting and coaching, his legacy for years to come.
