

Will Trapman

2015 Inductee No. 5

Will has been a passionate supporter and advocate for Indigenous bowls and activities throughout NSW for many years.

As manager of the 2010 Indigenous Bowls NSW Tour he was the perfect mentor for many of the young players and has often said it is the highlight of his bowling career.

With time spent in both the city and country throughout the years promoting bowls to many Indigenous athletes of all ages, Will is a worthy inductee into the inaugural Bowls NSW Hall of Fame.
