

# New South Wales Inter Schools Challenge - 2021

Bowls NSW in conjunction with Womens Bowls NSW will be running an Inter Schools Challenge in 2021.

This competition will be played across NSW with winners advancing through their local schools and partner bowling club to a regional play-off and then onto State Finals (State finals may not be played 2021.)

Teams will consist of Triples (3 boys, 3 girls or a mixed team), playing matches comprising 2 bowls per player over 2 x 5 end sets with a sudden death play-off end, if sets are equal or tied.

Players must attend the same NSW High School (Years 7 – 12). Students must be aged 17 years or under on 31st December 2021. At least two students per team MUST be a non-affiliated player (not a playing member of a Bowling Club). An exception will be granted if any of the non-affiliated team members joins a bowling club and becomes an affiliated member during the coaching and competition program.

NSW High Schools and NSW Bowling Clubs are encouraged to align together to host an intra-school playoff who will then proceed to a regional play-off.

One winner from each region will then advance to the State play-offs.

It is recommended for clubs/schools to organise a coaching program for interested students prior to the competition, followed by the number of weeks needed to conduct a competition to gain a club/school representative team to advance to the regional play-off.

Bowls NSW together with Bowls Australia Regional Bowls Managers (RBM's) will be available to assist clubs and schools with co-ordinating their local competitions and regional play-offs.

**Contact your local RBM or Bowls NSW for more information and/or to find your nearest Competition:**
