Re: **Special Visits**

Of late the Board have needed to review all costs to the Association in order to ensure that the members funds are spent with care and consistency.

Special visits to clubs for President's Days and club and district birthdays was part of that review and I wish to advise clubs and districts that we have found it necessary to increase the costs for these visits from \$30 to \$50 per visit for 2020 and to \$75.00 for 2021.

We understand that the option of having a Director or State President at such an event adds to the occasion, and we do not wish to discontinue such visits should a club wish to invite Womens Bowls NSW. However; the average cost of these visits to the Association, state-wide, is over \$300 per visit (including travel, accommodation, badges and gift costs) so a modest increase in the amount we charge for such visits will go some way to offsetting our expenses.

This increase will take effect from 1 January 2020. We appreciate your understanding in this matter.
