

## Memo 358.20

**To:** Club Presidents & Secretaries, District Presidents & Secretaries

**From:** Women's Bowls NSW Head Office

**cc:** Women's Bowls NSW Board of Directors, Committee and Staff Members

**Date:** 4<sup>th</sup> February 2020

**Re:** **Unification**

---

WBNSW is genuinely disappointed that, at this stage, unification discussions between WBNSW and BNSW cannot take place.

An initial discussion between the Directors of each association, as the policy makers, was suggested prior to the formal process of unification commencing.

It was felt that any staff involvement in discussions was a conflict of interest. This issue was only one of the several factors which significantly influenced our decision not to proceed at this time.

Our Board is most supportive of the concept of unification.

We wish to assure all our members that each decision is made with the best interests of our membership in mind.
