# Bowls NSW – Inter Schools Challenge

A Fast Fun Filled Sporting Competition For  
Students From Years 7 – 12

- » Partner with any local bowling club and have a tailored training programme to suit.
- » Competition after initial training will be held in teams of three.
- » School winners will represent at regional finals then state finals if successful.

The Bowls NSW Inter Schools Challenge is a brand new concept to showcase the benefits of lawn bowls as a sport to schools and their students.

Schools will partner with a local bowling club, who will conduct tuition and training, leading into setting up an intra school competition.

School winners will progress to regional finals and then on to State finals.

Ideal for all students in Years to 7 – 12 to participate. Tuition/Training/Competition can be run as part of school sport or out of school hours.

All bowling equipment will be supplied by the club – the only requirement is flat soled running shoes.

Teams qualifying for State finals will be given funds for travel and/or accommodation with prizes for the participants and winning school.
