A Message from Bowls NSW Ltd

On behalf of Bowls NSW, I welcome all to the Men's & Women's Division 1 State Pennant Finals.

Pennants remains the pinnacle event on the Bowls NSW calendar, with players taking pride in representing their club.

Congratulations to all of the players on reaching the State Finals Series. With thousands of players competing, to reach this stage is a wonderful achievement.

I trust that everyone who has travelled to the event is able to make new friends and to renew old friendships and that everyone returns safely home having had

an enjoyable experience.

Congratulations to the State Match Committee and our Bowls NSW staff for their continued efforts to ensure that this (and every other) event is successful and run for the players.

Lastly, a special thanks to our wonderful host clubs for going above and beyond to give the participants a wonderful experience.

Dilys Kindleysides (Chair)

A Message from Port Macquarie Council

On behalf of Port Macquarie Council welcome to everyone and I wish all competitors the very best across the weekend of competition as they battle it out for the prestigious honour of being State Pennant champions.

Our region has been a long-standing supporter of lawn bowls in this state, and I am thrilled that we have been selected as the first location to host the simultaneous staging of the Men's and Women's Division

1 State Pennant finals at both Port City and Club Lake Cathie.

Good luck and good bowling!

What if you could save \$3,866 in 20 minutes?

James from Club Turramurra reviewed his energy plan with Make It Cheaper and managed to **save a huge \$3,866**.

Make It Cheaper took care of all the tricky details involved in putting his energy account out to tender and ensuring that he got the best deal possible.

"Service was great and quick and easy to use. I would definitely use MiC again. Sophie was very helpful, explained everything clearly, was not pushy and allowed me to make the decision without feeling pressured. Would recommend that you speak to Sophie to see if you can achieve a better rate on your electricity too."
