Re: 2023-24 Conditions of Play Documents Released

Dear Club, Zone & District administrators,

Bowls NSW is pleased to present the Conditions of Play documents for the 2023-24 season. The State Match Committee have worked tirelessly with our Sport Department to fine tune the content of these documents and have them ready for publication.

The 2023-24 Conditions of Play documents can be found on the Bowls NSW website under the Member Resources tab. To view a summary of amendments to the Conditions of Play documents, click the link below.

Following the publication of the Conditions of Play for 2023-24, I am conscious of the recent feedback we have received in relation to these documents from our membership. In consultation with our newly appointed Executive Manager - Bowls, Lee Stinson and our broader State Match Committee, we will be conducting a review of these documents in their entirety. The purpose of this review will be for us to return to a more streamlined Governing document for our CoP. We will look to strip out any overlapping content and simplify the language within these documents. Ultimately, we would like to get back to a single CoP document with an appendix outlining any variances for specific competitions. This is a priority for us as we move forward and we will look to make these changes to the CoP for the 2024-25 season.
