Re: Online Umpire Accreditation procedure.

Dear Zone, District and Club Representatives,

We have recently implemented new online forms to streamline and enhance the accreditation and re-accreditation procedure for Umpires, Markers and Measurer.

We have transitioned from traditional paper-based forms to a convenient online platform. This shift will not only simplify the accreditation and re-accreditation process but also enable us to gather and manage information more effectively.

To access the new online forms for official accreditation or re-accreditation as an umpire, marker, or measurer, please visit our website at bowlsnsw.com.au/get-involved/officiating/.

As Zone, District and Club Representatives, we kindly request your support in spreading the word about this change and emphasising the benefits of its streamlined administration. This has been, and remains a focus of mine, as we move forward.

Please also refer to the **procedural mapping document** which outlines the steps for accreditation and reaccreditation. This process is effective immediately and as outlined, any accreditation or reaccreditation process undertaken outside of this official process and these parameters, will be deemed null and void.

Should you have any questions or require any further assistance, please do not hesitate to reach out. We are here to help.

Kind regards,

A handwritten signature in black ink, appearing to read "Tim Rowe".
