Re: Update to Bowls NSW Event Calendar – State Selection Series

Dear Club, Zone and District contacts,

Bowls NSW has updated the 2023-24 Event Calendar with the State Selection Series at Cabramatta Bowling Club added in from 22nd – 25th June 2024.

The Open, O40 and U25 Selection Series will be held from 22nd – 23rd June, and the Senior Selection Series will be held from 24th – 25th June. This has been reflected in the updated calendar on our website.

In addition, the Open, O40 and U25 Selection Series will commence in the afternoon on 22nd June to allow those playing on the final day of the Australian Open the opportunity to fly to Sydney.

These dates allow suitable time for selectors to see required players in action prior to the naming of the first Interstate test series for the year.

Kind regards,
