Bowls NSW Inter Schools Challenge

- » Partner with any local bowling club and have a tailored training programme to suit.
- » Competition after initial training will be held in teams of three.

The Bowls NSW Inter Schools Challenge is a brand new concept to showcase the benefits of lawn bowls as a sport to schools and their students.

Schools will partner with a local bowling club, who will conduct tuition and training, leading into setting up an intra school competition.

Ideal for all students in Years to 7 – 12 to participate.

Tuition/Training/Competition can be run as part of school sport or out of school hours.

All bowling equipment will be supplied by the club – the only requirement is flat soled running shoes.
