# Message from Bowls NSW

Welcome to the 2023-24 State Championships.

We would like to extend our sincere congratulations to all players who have qualified through their Regional or Zone playoffs to reach the State finals. With thousands of players competing, to reach this stage is a wonderful achievement.

Congratulations and thanks must go to the State Committees and our Bowls NSW staff for their extensive preparation to ensure that this (and every other) event is run smoothly and successfully. This year saw the introduction of extra support and training for the volunteers involved in the event. We hope this assists volunteers to continue their work, on whom we rely to maintain our sport.

Of major significance this year is the Multi Disability Championships, held as part of the event for the first time and we are excited that we are progressing along the path towards integration for all groups.

Thank you to all the supporters who have worked with or alongside our athletes to contribute to the sport, and thank you to the spectators who enjoy watching the competition – you are enhancing the playing experience for the competitors. You are all greatly appreciated.

Lastly, a special thanks to our wonderful host clubs and partners for working with Bowls NSW Staff and volunteers, going above and beyond to give the participants a wonderful experience. Please avail yourself of the excellent facilities on offer and support these groups in any way you can.

We trust that everyone who has travelled to the event is able to make new friends and to renew old friendships and that everyone returns safely home having had an enjoyable experience.

On behalf of Bowls NSW, welcome, good luck, and good bowling to all.
