Conditions of Play

Composition of Sides

Each Side shall comprise of seven players:
One Singles Player,
One Pairs Team and
One Fours Team

Interchange of Players

Players comprising pairs and fours teams may be interchanged or reserve players may be used.
Singles may only be interchanged at the conclusion of sectional play. A singles player involved in medal play-offs may not be interchanged.

Format of Championship

Each discipline shall play sectional play. Singles players and teams shall progress to post-sectional play based on their ranking within their section.
Overall Champion Side & Side rankings shall be determined based on the performance of each discipline.

Format & Duration of Matches

Singles - 21 shots up. Shots in excess of 21 do not count
Pairs - 3 bowls per player. 18 ends
Fours - 15 ends

Determination of Section Winners

In each match of sectional play points shall be awarded as follows:

Win: 3 points

Draw: 1 point

Loss: 0 points

The winner of the section shall be the player or team scoring the greatest number of points.

If two or more players or teams are equal on points the player or team with the greatest difference between total shots scored and the total shots conceded (margin) shall be the winner.

Byes in Sectional Play

The players, or teams, in the side receiving a bye will play against each other during that specific Round.

Trial Ends

One (1) trial end shall be permitted at the commencement of each match.

Re-spotting the Jack

If a jack in motion passes completely outside the boundaries of the rink of play or rebounds to a distance of less than 18 metres from the mat line, the end should not be declared dead. Instead, the jack should be placed with the nearest point of the jack to the mat line at a spot on the rink which is two metres from the front ditch and on the centre line, and play should continue.

If the spot mentioned in paragraph one is partly or completely covered by a bowl, the jack should be placed as close as possible to the covered spot, in line with that spot and the corresponding spot at the opposite end of the rink, without touching a bowl.

Determination of Best Performed Side

Points shall be awarded based on performance in each discipline. The Side scoring the greatest number of Side Points shall be declared the best performed side. Points shall be awarded as follows:

1st – 20 points **2nd** – 18 points
3rd – 16 points **4th** – 14 points
